VaMPAC

Major concerns affecting the medical profession are decided in the political arena and VaMPAC needs your membership to financially support campaigns of legislative candidates, and reflects your commitment to political action. VaMPAC can influence the political and legislative decisions that determine the practice of medicine in the Commonwealth. We can ensure that our legislators receive the best advice on actions that affect our patients and our profession. Medicine's views on these important issues are critical to ensuring that good legislation becomes law—and that bad legislation doesn't.

VaMPAC is the political action committee of The Medical Society of Virginia. Enclosed is a check for:

☐ **$100 for a Sustaining Membership, or**

☐ **$250 for a PAC 250 Membership that includes your spouse.**
